V Lights LLC 10713 Gulf Fwy Houston Texas 77034

7139431461

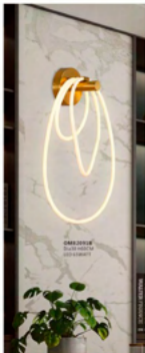

Founded in 2021, V Lights specializes in providing lighting solutions for residential, industrial, commercial, and specialty lighting projects. We provide top lighting solutions by offering our clients a board line of innovative and high quality lighting products at affordable prices.

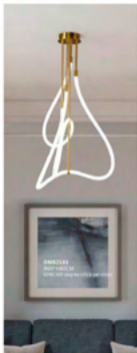

Continued innovation is a core strategic initiative at V Lights and we are committed to sell new products. With a quality management focus we sell products which are DLC, UL Energy Star, ETL certified. Our green energy products are rebate eligible in the US and we are a preferred trade ally with a multitude of electricity companies across the USA. We pledge to deliver superior customer service by employing and training a team of highly experienced lighting professionals.

With warehouses in Texas. We follow best practice of Inventory management like JIT. We Carry inventory to meet any LED lighting demands your project may have, which makes it easy to get exactly what you need, when you need it. We can provide start to finish lighting consultations and project management or just sell you the individual lights for your project backed by a 5-year warranty on most products. Whatever your project requires we are here to provide you a custom solution that fits your needs.
